MT IRAKLIS Z, formerly known as “Civitavecchia”, was built in the renowned Sanmar Shipyards in Tuzla, Turkey in 2015 and is one of the youngest and most advanced tugboats to operate in the Greek waters. The vessel is 32mtrs long, has a bollard pull capacity of 85T and is fully equipped with fire-fighting class 1 equipment along with Rolls-Royce supplied Azimuth propellers. MT IRAKLIS Z holds an oil recovery notation by major Classification Society – RINA, ensuring compliance with both Greek and International Maritime Regulations.
